

Annual Divine Mercy Mass and Procession

20/4/2023. Belize City. The Feast of the Divine Mercy was celebrated majestically on 'Divine Mercy Sunday' at the Divine Mercy Church on Sunday, 16th of April, 2023.

After nine days of novena prayers, the celebration started at 3:00 PM with the Chaplet of Divine Mercy led by one of the parish's youngest lectors, a very able student, Christian Marin of Belize Elementary School.

This was followed by a ceremony for the blessing of the new church bell. Fr. Scott Giuliani, SOLT performed the consecration of the bell and blessed the place where the tower will be finally erected.

Mr. Omar Habet joined four-year-old Karslin Vellos of the Mother of Mercy Montessori School to release the historical peals of the new bell.

This signaled the official start of the Mass which was concelebrated by Fr. Scott Giuliani, SOLT and Fr. David Mumba, SOLT.

The Mass was followed by the exposition and benediction of the Blessed Sacrament which led a joyous procession of prayers and songs ringing out in the surrounding neighborhood. The celebration concluded with a reception where all were treated to excellent food and refreshments.

The event was streamed live on Guadalupe Media Facebook and Television and on Catholic Diocese of Belize Facebook Page.
